Everyone has an opinion; usually lots of them. Experts, insurance companies, doctors, government agencies, non-profit organizations, family members and friends – all have well intentioned points of view about health care plans and programs. Sorting through so much information and diverse opinion can be overwhelming.

MedicarePlanTV.com provides an online internet community that enables you to view, listen and learn for yourself about important health care issues, including Medicare Advantage plans. MedicarePlanTV.com was created to help you more easily make decisions about what's right for you. Now you can access this important information anytime you need it from the comfort of your computer.

- *Are you getting all the benefits you're entitled to receive? If not, why not?*
- *Are you eligible for extra help because of limited income or family resources? Let's find out.*
- *Learn about public and private medical programs. Programs that help pay for health care, your prescription medication, dental benefits and vision care.*

You DO have options. Finding the right one is not always so obvious. Visit www.MedicarePlanTV.com to learn more.
